**Negli imballi della collezione Aura i fondi e i decori vengono inscatolati in maniera casuale. Si troveranno quindi diverse varianti del colore scelto, per garantire un movimento cromatico e una variabilità grafica che offrano maggior pregio estetico alla posa del materiale.**

The backdrops of the Aura collection come in random packaging. Therefore, slightly varying shades of the chosen colour will be included in order to ensure chromatic movement and graphic versatility so as to offer the best aesthetic appeal during installation of the material.

Les fonds de la collection Aura sont emballés dans des cartons de manière casuelle. Vous trouverez par conséquent plusieurs variantes de la couleur choisie, ce qui garantira le mouvement chromatique et la variabilité graphique indispensables pour une pose du matériau encore plus esthétique.

Die Kartons der Kollektion Aura enthalten willkürlich vermischte Unifliesen. Dies versichert eine natürliche Abwechslung verschiedener Farbtöne in der gewählten Farbe und somit eine chromatische Variabilität für ein perfektes Gesamtbild nach dem Verlegen der Fliesen.

Las piezas de la colección Aura se emban de manera casual. Por lo tanto, se encontrarán distintas variantes del color elegido para garantizar un movimiento cromático y una heterogeneidad gráfica que confieran mayor valor estético a la colocación del material.

При упаковке коллекции Aura изделия упаковываются в коробки обычным образом. Следовательно, в них находятся различные варианты выбранного цвета, чтобы гарантировать цветовое и графическое разнообразие, обеспечивающие большую эстетическую привлекательность при укладке материала.

在 Aura 系列的包装中，底部以随机的方式装箱。因此选择的颜色会呈现出不同的变化，通过色彩的运动和图形的变化使物品的陈设更具美感
