GLOBO

## Inspired by Life

Impegnata da sempre a interpretare i gusti e le nuove tendenze, Ceramica Globo guarda al futuro con continue innovazioni di processo e di prodotto che richiedono l'integrazione delle più diverse competenze, dal design all'ingegneria, dalla chimica dei materiali alla logistica, dal marketing alla sociologia. Sempre attenti al risparmio energetico e alla salvaguardia dell'ambiente.

*Always committed to interpreting new tastes and trends, Ceramica Globo looks to the future with continuous innovation of its processes and products. This requires the integration of different skills, from the design to engineering, from chemistry to logistics, from marketing to sociology. The company has always paid great attention to saving energy and protecting the environment.*

Lo Showroom di Milano, situato in una delle aree più rilevanti del design Italiano, è destinato all'esposizione del mondo Globo e dei suoi valori: un'importante vetrina segno tangibile di quanto sia irrinunciabile la cura dei rapporti umani tra l'Azienda e gli attori del suo mercato.

*The Milan Showroom, located in one of the most important areas of Italian design, is dedicated to exhibiting the Globo world and its values; an important showcase and tangible sign of how crucial it is to build meaningful relationships and partnerships between the Company and professionals in the market.*
