Consolle alternativa Art. CC 10040

A lato, un esempio di dove può spingersi la versatilità del modello “40”, un doppio lavabo con vasche capienti in solo 100 centimetri di ingombro. Questa particolare versione, è unicamente disponibile nella soluzione con miscelatore a muro, a causa delle maggiorate dimensioni delle vasche.

On side, on example of where the versatillity of the model “i40” can be pushed, a double sink with capacious bowls in only 100 centimeters of encumbrance. This particular version, is only available in the solution with tap on the wall, due to the special measure of the console.

Monoblocchi_ i40 / i40 system

I programma di monoblocchi “i40” è basato su scocche a schema fisso, con frontali fissati sui cassettoni in metallo ammortizzati , anche in variante con doppi cassetti. Le console-lavello sono ad appoggio sulle basi e possono avere una o due vasche, le stesse sono realizzare in tre diversi materiali: Ceramica, Mineral Marmo o Tecnoril. Qui di seguito viene proposto uno schema sintetico degli elementi disponibili. > “i40” system is based on fixed scheme units, with fronts set on metal amortized drawers, also in varying with double drawers. The console-sinks are lied on the units and can have one or two bowls, these are made in three different materials: Ceramics, Mineral Marble or Tecnoril. Here following a synthetic scheme of the available proposed elements.

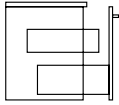

Monoblocco con 1 cassettone
Unit whit 1 jumbo drawer

profondità cm. 40
altezza cm. 48
depth cm. 40
height cm. 48

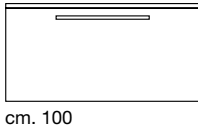

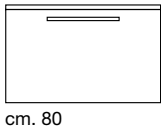

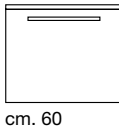

Monoblocco con 1 cassettone + cassetto interno
Unit whit 1 jumbo drawer + 1 internal drawer

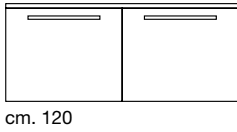

profondità cm. 40
altezza cm. 48
depth cm. 40
height cm. 48

lunghezze / widths

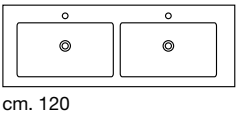

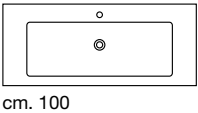

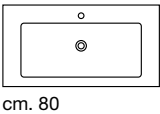

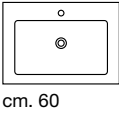

Monoblocco con 2 cassettoni
Unit whit 2 jumbo drawers

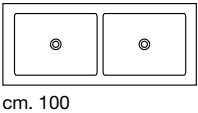

Console a 1 e 2 vasche in Ceramica - Mineral marmo - Tecnoril
Console in ceramic - Mineral marble - Tecnoril whit 1 or 2 washbasis

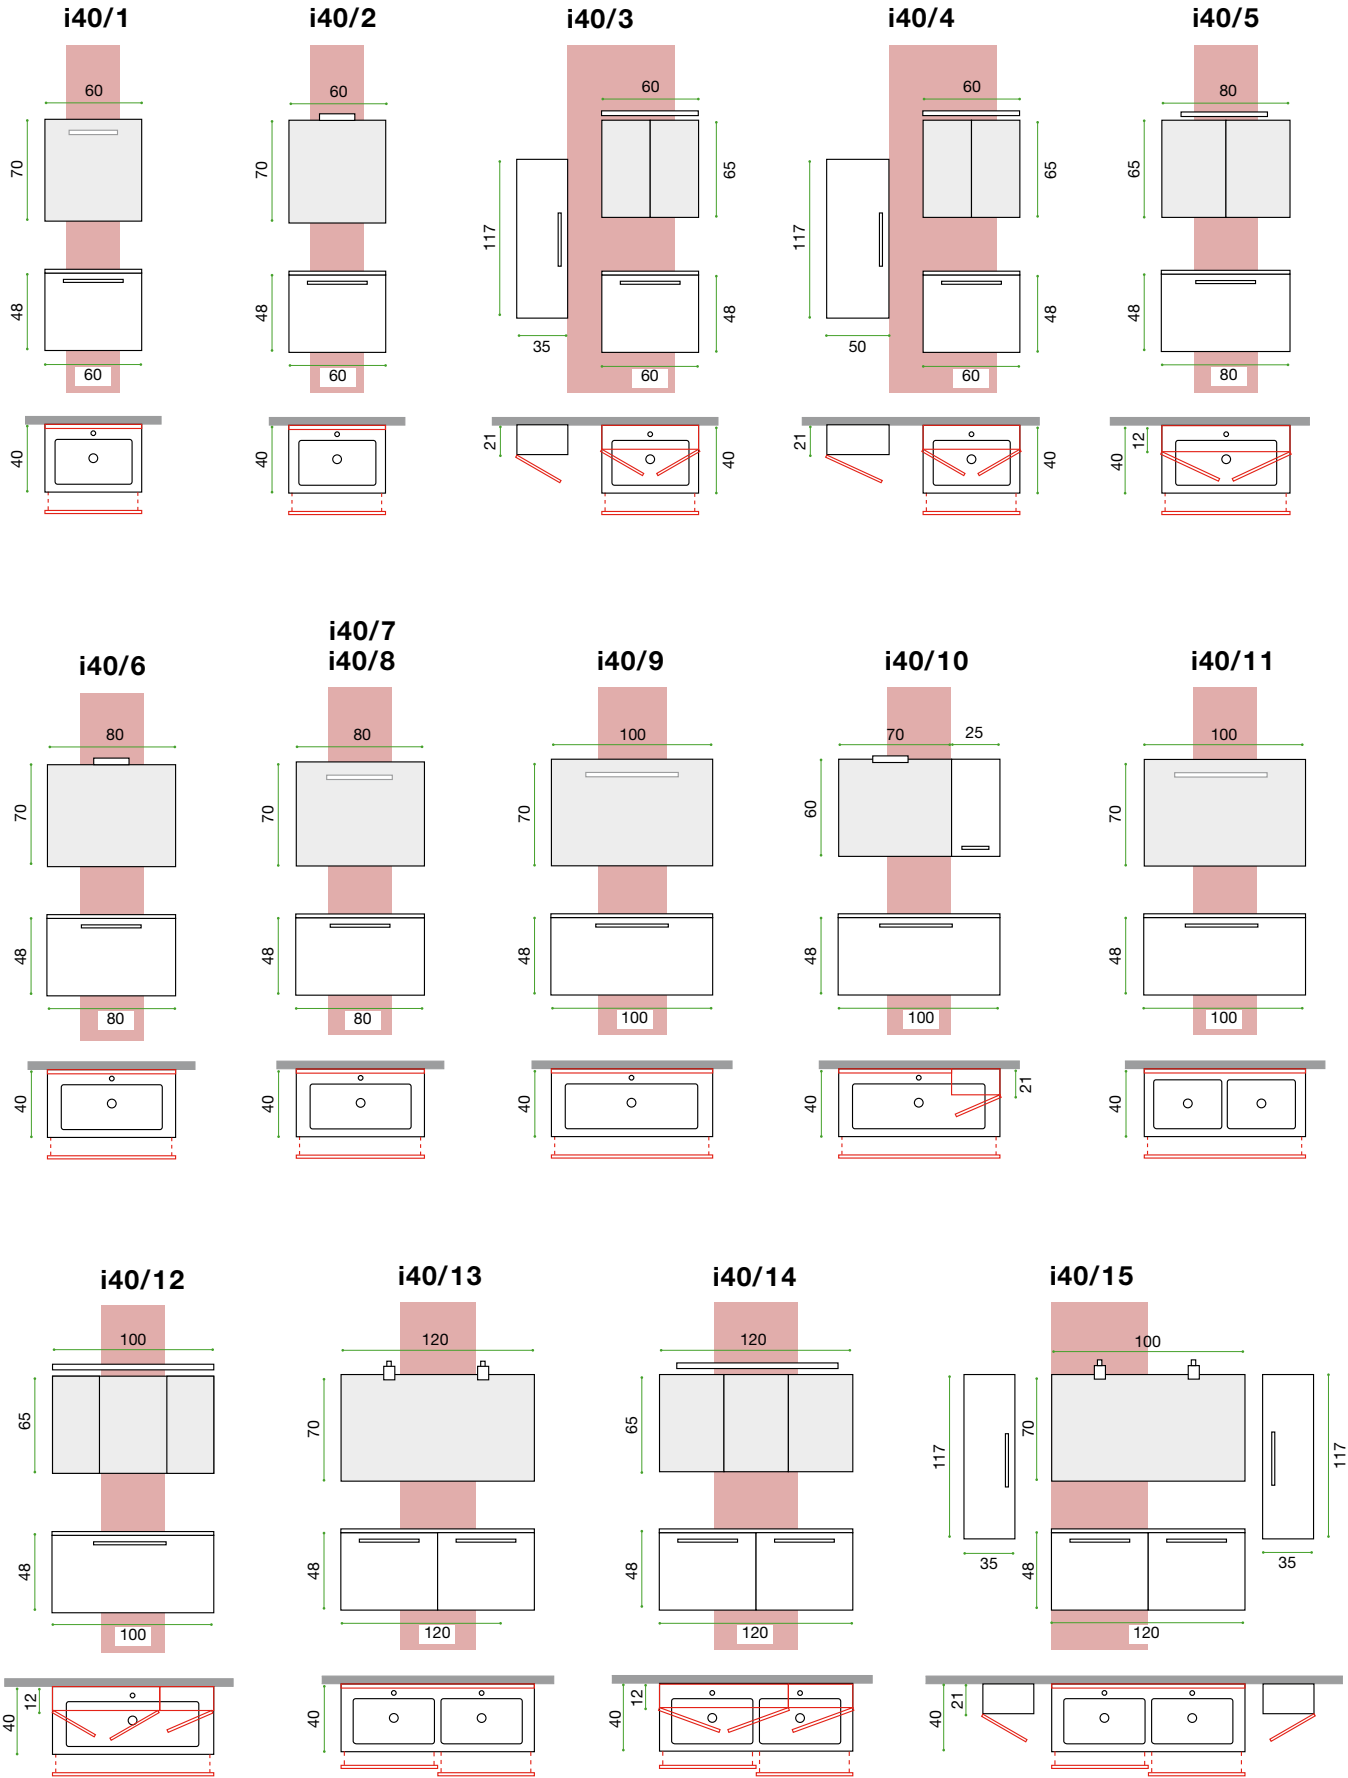

lunghezze / widths

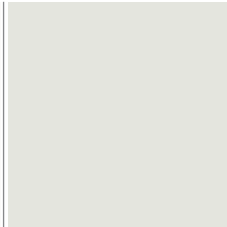

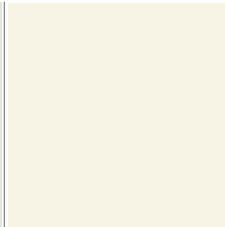

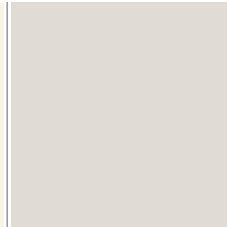

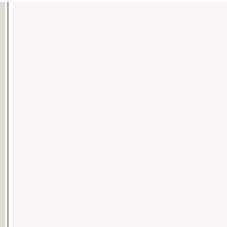

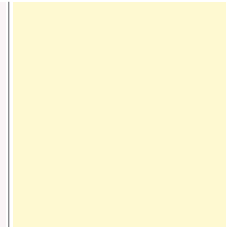

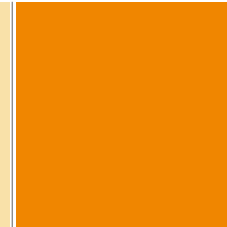

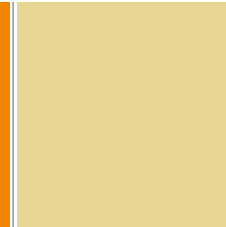

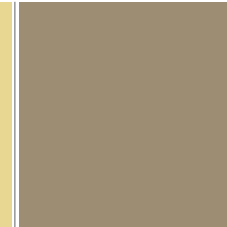

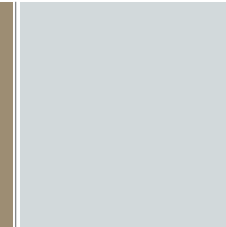

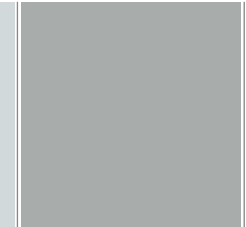

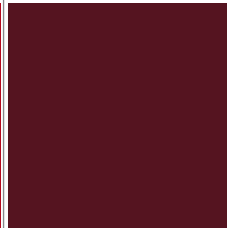

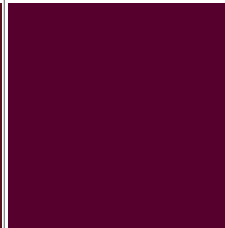

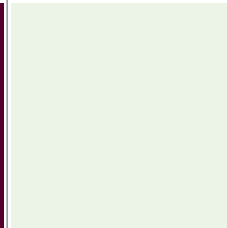

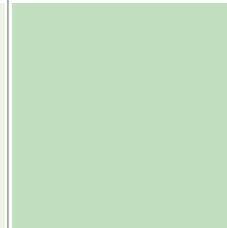

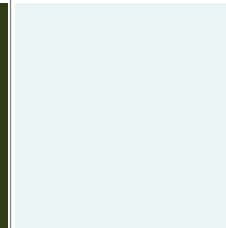

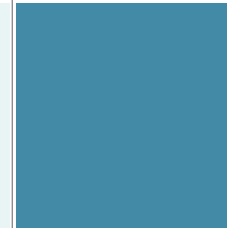

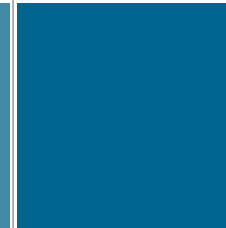

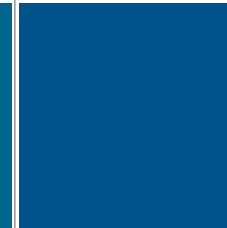

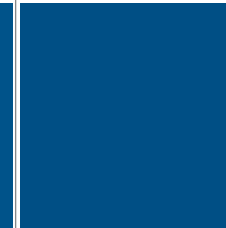

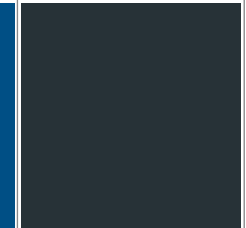

Console a 2 vasche in Tecnoril per rubinetti a parete
Console in Tecnoril white 2 washbasis for wall hang taps
