

Marmi Naturali

Bicottura Tradizionale italiana.
Italian traditional double fired.

Perfetta armonia tra natura e tecnologia viene valorizzate in queste collezione coordinata, dove le venature del marmo sono perfettamente riprodotta nei più piccoli particolari. Una gamma complete per colori, vestibilità, e pezzi speciali.

A perfect harmony between nature and technology is valorized in this combined line, where the marble veins are perfectly reproduced in every single detail. This series embraces a complete range of colors and special pieces.

Perfektes Gleichgewicht zwischen Natur und Technologie, das in dieser koordinierten Kollektion mehr Wert bekommt, in der die Marmoraderungen genau bis die kleinsten Details nachgebildet sind.

Cette collection de carrelages coordonnables valorise l'harmonie entre nature et technologie. Les veinures du marbre sont reproduites parfaitement dans les moindres détails. Une gamme complète en ce qui concerne les couleurs, les pièces spéciales et la possibilité de pose.
