

River

Bicottura Tradizionale italiana.
Italian traditional double fired.

Semplicità di abbinamenti e classici formati, vanno a fare da corredo a decori geometrici, arricchiti dalle trasparenze del vetro incastonate all'interno di mosaici stonalizzati.

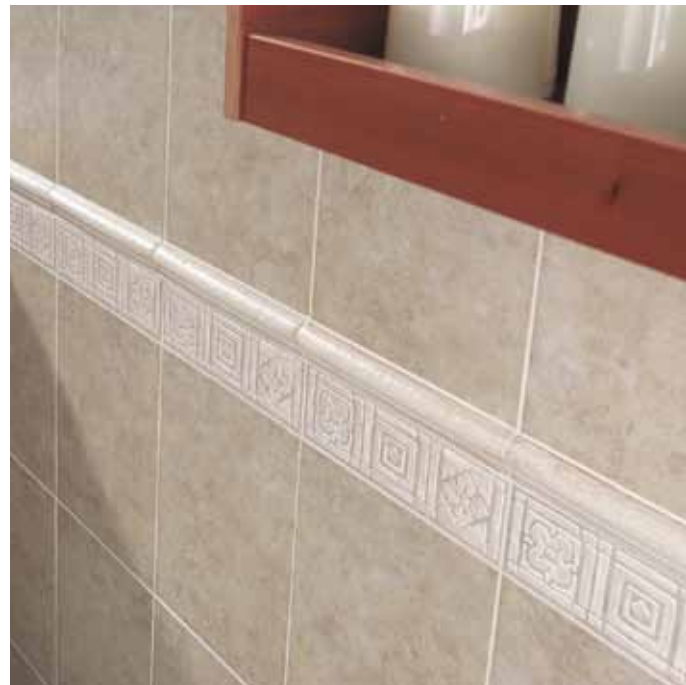

River Une represents the easiness to combine classical sizes and all pertinent geometrical decors enriched by the transparency of the glass inside of mosaics obtained from different shades.

Einfache Koppelung und klassische Formate passen mit geometrischer Dekoren zusammen, die mit Glasdurchsichtigkeit in Mosaiken von verschiedener Tone eingefügt sind.

Ce format classique peut être facilement assorti, avec ses décors géométriques, la transparence du verre et les mosaïques hétérogènes mais toujours coordonnables.

River

Collezione arricchita, oltre che dal classico 20x25, anche dal formato 10x10 e dal mosaico miscelato montato su rete, formati entrambi ideali per realizzare interni e piatti doccia
