

Waikiki

Bicottura Tradizionale italiana.
Italian traditional double fired.

“ ... ho visto nelle nuvole dei tropici, principalmente sul mare e nelle tempeste, tutti i colori che si possono vedere sulla terra ...” Waikiki è una cascata di colori, impossibile resistere al fascino di tale bellezza di rilievi e sfumature, data da una materia ricchissima. Straordinario gioco di decori che conforiscono al bagno emozione cromatica.

“ ...I saw in the colouds of the Tropics all colors visible on the Earth, particularly the paints of the storms and the sea ...” Waikiki is a true colors fall, to whom you cannot resist. Its beauty is made of reliefs and shadings made from a very reach material. This line is an astonishing show of decors that gives to the bathroom a cromatic emotion.

“...ich tropischer Wolken gesehen, besonders auf dem Meer und in der Stürmen, alle Farbe die man auf der Welt sehen kann...” Waikiki ist ein Farbenwasserfall, den man nicht überstehen kann. Seine Schönheit besteht auf Reliefs und Nuances aus einer reichvollen Materie. Wundervolles Spiel von Dekoren, das dem Bad einem cromatischen Gefühl schenkt.

«...j'ai vu dans les nuages des tropiques, surtout sur la mer et dans les tempêtes, toutes les couleurs qu'on peut voir sur terre...» Waikiki est une cascade de couleurs et le charme d'une beauté pareille, des ces nuances et ces éclats de lumière, de cette matière si riche...est irrésistible. La salle de bain s'enrichit d'émotions chromatiques grâce à ce jeu de couleurs.
